Press release

The new Save me series from PAGNA combines the joy and variety of everyday school life with environmentally friendly materials.

The new Save Us series from PAGNA combines the joy and variety of everyday school life with environmentally friendly materials. The wide range of school products are manufactured to the highest quality standard and designed with loving attention to detail. The recycled cardboard in trendy mint and fuchsia colours features either a zebra or panda motif as a reference to endangered animals and the sustainable use of natural resources. The design focuses on the joy of nature and has been designed with a sense of humour to celebrate these species of animals.
