Press release

New collection brings new models and designs...

Even in Covid 19 crisis Pulse has confirmed its already known quality and service! In 2020 we have succeeded to finish production in time and service all partners on time. This led to good sales and in some countries even increase in sales compared with 2019.

For 2021 we have prepared more than 60 new collections with 123 new SKU!

Please log in for our live event on Friday, 16th Oct: 1 pm – 1.30 pm so you could see all new products.

See you soon!
