### Press release

Schneiders Vienna is an Austrian family-managed company in the 4th generation with more than 125 years of business tradition. Schneiders schoolbags , Walker backpacks and available accessories are created in high quality materials , greta workmanship and with functional usability. Special attention is given to our schoolbags and backpacks , which are outfitted with an ergonomic and height-adjustable backside system. This unique function was tested and certified by the KARL LANDSTEINER Institute for Orthopedics.

We always focus on an environmentally friendly and pollutant-free production process and we also use recycled materials . We produce bags which accompany our customers for a lifetime.
